Subject: Re: P&T annual Report for
Dico

Erin

Did you get a
chance to look over the revised 29th P&T system
operations report?

I am asking because

you issued DICO a deadline in your email.

I also revised my
Maintenance SOP for DICO with your corrections and added a
section on Flood issues (thank you for bringing the flood
topic in your email).

FYI , I am planning
to retire in early October of this year, if you want me to
address any Dico outstanding issues, please feel free
to ask while I am
still in this position. Once I leave, there will be no one
with the history I have with DICO, before, during and post
the 1994 UAO

Thank
you

Respectfully

GGeorge
